SmartLink Transport provides the following services for transport disadvantaged people and community groups in the Blue Mountains, Hawkesbury and Penrith local government areas

-

A Transport Register of minibuses and vans owned by member organisations in the area which can be booked by member community groups which cannot afford the cost of commercially available vehicles for a fixed fee payable in advance. Qualified drivers can also be booked through the Register.

If you wish to register online, click on the Book A Vehicle box above and select “register your interest today”.

All groups should note that volunteer drivers booked through SmartLink are covered by our Volunteer Driver Insurance (this is part of the \$30 fee to use a SmartLink volunteer driver). All groups using their own driver should arrange their own insurance for those drivers.
